INTERNAL SECURITY
DISRUPTION OF THE NEW LEFT

ReBulet to Albany, 5/10/68, 100-449698-38, copies to all offices.

On the basis of developments to date, it is apparent that New Left organizations and activities in the Phoenix metropolitan area have received their inspiration and leadership almost exclusively from the members of the faculty in the Department of Philosophy at Arizona State University (ASU), chiefly Assistant Professor MORRIS J. STARKY. The most logical targets for potential counterintelligence action locally are therefore pretty obvious.

STARKY is presently the subject of active investigation in the Selective Service category, as is DONALD W. GEISCHEN, also an Assistant Professor of Philosophy. Background information which is thus developed may prove useful for counterintelligence purposes. Bureau authority is also being requested to initiate an active security investigation of WILLIAM MONROE WINGFIELD, who is a Graduate Assistant in the Department of Philosophy.

STARKY has already received considerable publicity in Phoenix papers in connection with his anti-war and anti-draft activities. It is understood also that Governor JACK WILLIAMS is well aware of STARKY's radical proclivities and has privately expressed concern about him. This suggests an avenue of counterintelligence approach as well as that offered by reliable and cooperative contacts in the news media.

The status of captioned program in the Phoenix
Division as of 7/1/68 may be summarized as follows:

1. Potential Counterintelligence Action

It was mentioned in Phoenix letter of 5/31/68 that MORRIS J. STARKY, as a public employee, is understood to be of interest and concern to JACK WILLIAMS, Governor of Arizona. There are now indications that as a result of this interest, which is by no means a matter of public record and is unlikely to become such, the Board of Regents, which exercises administrative control of the State universities, may soon find cause to separate Professor STARKY from the public payroll. It is considered that he may have falsified attendance records or something of that nature. STARKY's dismissal from the ASU faculty could be expected to disrupt New Left organizations at Arizona State University and in the Phoenix area generally.

In any event, Phoenix will explore means of assuring that Mr. WILLIAMS is cognizant of the role which STARKY and others in the ASU Philosophy Department play in keeping the New Left alive within the State of which he is Governor.

1. Potential Counterintelligence Action

at MORRIS J. STARKY, by his actions, has continued to spotlight himself as a target for counterintelligence action. He and his wife were both named as presidential electors by and for the Socialist Workers Party when the SWP in August, 1968, gained a place on the ballot in Arizona. In addition they have signed themselves as treasurer and secretary respectively of the Arizona SWP. Professor STARKY's status at Arizona State University may be affected by the outcome of his pending trial on charges of disturbing the peace. He is alleged to have used violent, abusive and obscene language against the Assistant Managing Director of Gammage Auditorium at ASU during memorial services for MARTIN LUTHER KING last April. Trial is now scheduled for 10/8/68 in Justice Court, Tempe, Arizona. *C*

A recommendation for counterintelligence action as to STARKY will be submitted by separate letter.

Remylet, 10/1/68.

It has been mentioned previously to the Bureau that MORRIS JOSEPH STARKY as a public employee is known to be of interest and concern to JACK WILLIAMS, Governor of Arizona. It is the understanding of the Phoenix Office that Governor WILLIAMS relies to a considerable extent on information which he receives from Lt. Colonel LLOYD H. ROBERTSON (NA), Assistant Superintendent, Arizona Highway Patrol.

As a general rule copies of reports or LHMs in security type cases are not disseminated by Phoenix to the AHP. It is recommended that the Bureau authorize Phoenix to furnish ROBERTSON one copy each of the enclosed LHMs captioned as follows:

1. "SOCIALIST WORKERS PARTY, STATE OF ARIZONA," dated 8/16/68 at Phoenix, Arizona.
2. "PEACE AND FREEDOM PARTY; NEW PARTY, STATE OF ARIZONA," dated 9/10/68 at Phoenix.
3. "GISELA MANDEL," dated 10/8/68 at Phoenix.

These LHMs concern pertinent activities not only of MORRIS JOSEPH STARKY but also of other individuals connected with ASU and with the University of Arizona, both tax-supported institutions.

SOCIALIST WORKERS PARTY
STATE OF ARIZONA

On August 15, 1968, Wesley Bolin, Secretary of State, State of Arizona, advised that the Socialist Workers Party (SWP), having filed the necessary petitions and other documents required by Arizona statutes on August 8, 1968, has gained recognition as a new political party in the state. Accordingly, SWP will appear and be represented by and on an official ballot at the primary election September 10, 1968, and at the general election November 5, 1968.

The five presidential electors named by and for the SWP are:

Paul Ferdinand Luenow, Jr.
1866 West Sixth Street, Mesa, Arizona

Jeffrey Allen Ridenour
6620 East Wilshire Drive, Scottsdale, Arizona

✓ Morris Joseph Starsky

Arizona law requires that any new party's petition for recognition be verified by the affidavits of ten qualified electors of the state. Therefore, in addition to the five presidential electors mentioned, the following five persons also submitted affidavits:

✓ Charles Briggs Ackert
3740 Ironwood Hills Drive, Tucson, Arizona

Thomas N. Bahti
3425 North Treat Avenue, Tucson, Arizona

Richard Gorby
2648 North Fair Oaks Avenue, Tucson, Arizona

Edward George Lesko, 1224 East Lemon,
Apartment 140, Tempe, Arizona

Betsy Ann McDonald
3641 East Third Street, Tucson, Arizona

A letter to Mr. Bolin accompanying the petitions bore the heading "ARIZONA STATE COMMITTEE, SOCIALIST WORKERS PARTY." It also bore:

"ADDRESS REPLY TO:

"William Monroe Wingfield
Arizonans for Halstead and Boutelle
P. O. Box 689
Tempe, Arizona 85281"

The letter closed with the following:

"Very truly yours,

"ARIZONA SOCIALIST WORKERS PARTY

"William Monroe Wingfield,
Chairman.

SOCIALIST WORKERS PARTY
STATE OF ARIZONA

"Ruth Pamela Starsky,
Secretary.

"Morris Joseph Starsky,
Treasurer."

The letter was signed by each of the latter three persons. These three persons were also the only ones signing certifications attached to petitions.

Secretary of State Bolin related that William Monroe Wingfield and one Anthony Spachtholz had initially come to his office on May 27, 1968, and picked up the necessary blank petitions forms and other information pertaining to getting a new party on the ballot. He stated that these two individuals were the persons who on August 8, 1968, brought the completed petitions and other documents to his office for filing.

Mr. Bolin explained that in Arizona a new political party becomes eligible for recognition and a place on the official ballot upon filing with the Secretary of State petitions signed by a number of qualified electors equal to not less than 2 per cent of the votes cast for the governor at the last preceding general election in at least five counties. The petitions filed by SWP contained signatures of qualified electors as follows:

<u>County</u>	<u>Signatures</u>
Santa Cruz	70
Graham	105
Greenlee	89
Apache	87
Mohave	84
Total	435

Mr. Bolin pointed out that the SWP people had obviously selected the five Arizona counties which in the

SOCIALIST WORKERS PARTY
STATE OF ARIZONA

last preceding general election had cast the fewest number of total votes, thereby minimizing the work involved in gaining petition signers. It was evident from the petitions that they had been circulated in the following communities on the dates indicated:

Nogales	June 18, 1968
Safford	June 19, 1968
Morenci	June 19, 1968
Clifton	June 20, 1968
St. Johns and Springerville	June 21, 1968
Kingman	July 13, 1968

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

The SWP has been designated pursuant to Executive Order 10450.

PEACE AND FREEDOM PARTY;

The "Tucson Daily Citizen," a newspaper of general circulation published in Tucson, Arizona, carried in its issue of August 12, 1968, a news item reading as follows:

"CARD-BURNER RUNS FOR VICE PRESIDENT

"Convicted draft-card burner David M. Rehfield is running for vice president of the United States.

"But the 26-year-old University of Arizona graduate student, now free on \$1,000 bond while appealing two felony counts, may have difficulties placing his name on the ballot in Arizona, according to authorities.

"Petitions filed in Phoenix yesterday listed Rehfield in the No. 2 spot on the Peace and Freedom Party ticket, which is headed by the California Black Panthers minister of information, Eldridge Cleaver of Oakland, Calif.

"Asst. U. S. Atty. Jo Ann Damos said today there is no federal regulation which would block

a convicted felon from running for national office. State laws preventing felons from holding public office probably will keep Rehfield out of the running in at least this state, however.

"In addition, according to Miss Diamos, constitutional age requirements probably would disallow his candidacy. A vice president must be at least 35 years old, she said.

"Rehfield was convicted May 9 in U. S. District Court of burning his draft card during a Dec. 4 demonstration in front of City Hall. He also was convicted of failing to have a draft card in his possession, a second felony.

"Rehfield could not be reached today for comment.

"Still another political party, dubbed the New Party, filed petitions in Phoenix yesterday with Mrs. Rose Mofford, assistant secretary of state. Its electors were listed as supporters from Tucson.

"They are David Yetman, Joseph L. Cowan, Nancy Bolster Fales and Robin N. Marrill. Cowan, a professor of philosophy at UA, said the party will meet Sept. 4 in Chicago to pick its nominees and, perhaps a formal name.

"He said the party is being organized now as a possible 'out' should the Democratic platform and nominees be 'totally unacceptable' to the wishes of a large segment of the citizenry."

On August 15, 1968, Wesley Bolin, Secretary of State, State of Arizona, Phoenix, Arizona, advised that

a group calling itself the Peace and Freedom Party (PFP) and another group calling itself the New Party (NP), both having filed on August 9, 1968, the necessary petitions and other documents required by Arizona statutes, had gained recognition as political parties in the State. Accordingly, each will appear and be represented by and on an official ballot in the primary election September 10, 1968, and in the general election November 5, 1968.

The five presidential electors named by and for the PFP are:

Ila Riggi, 2917 North Baxter Avenue, Tucson
Dwight T. Hoxie, 915 East 7th Street, Tucson
Emmett Calvin Brown, 633 Calle Rita, Tucson
Alberta J. Dannels, 2022 East 8th Street, Tucson
Dorothy Lee Parra, 5751 East Helen Street, Tucson

The five presidential electors named by and for the NP are:

David Yetman, 450 East Alturas, Tucson
Joseph L. Cowan, 2030 Calle Alta Vista, Tucson
William G. Carton, 1141 East Adams, Tucson
Nancy Bolster Fales, 905 East Adams Street, Tucson
Robin N. Merrell, 6310 East Brian Kent, Tucson

Mrs. Rose Mofford, Assistant Secretary of State, State of Arizona, recalled on August 22, 1968, that the PFP documents as well as those of the NP were brought to the office for official filing on August 9, 1968, by three "bearded and filthy" males. All were from Tucson. Two of these people identified themselves; they were Mitchel Axler and Joe Parra. The third individual was not identified. They arrived at the Secretary of State's office in the Capitol Building in Phoenix the afternoon of August 9, 1968. They had with them the necessary petitions from Apache, Graham, Greenlee and Santa Cruz counties. It was necessary for them to wait around for the arrival of the signed PFP

and NP petitions from Mohave county. This Mohave county material was finally brought in by Betsy McDonald, who had driven directly to the capitol from Kingman, Arizona, with it. McDonald and her "bearded and filthy" friends then turned all the documents over to Mrs. Mofford who recorded them as being received at 5 p.m. on August 9, 1968.

Mrs. Mofford advised that Betsy McDonald was also from Tucson, Arizona, and that her husband is understood to be a professor there at the University of Arizona (UA). It appeared to Mrs. Mofford that the two political groups, the PFP and the NP, were closely associated and closely coordinated their activities. The folder pertaining to the PFP bore the notation that receipt was to be sent to "Mitch Axler, 1028 E. 6th St., Tucson 85719." A comparable notation on the NP folder was "Betsy McDonald, 3461 East 3rd St., Tucson 85716."

Mrs. Mofford explained that in Arizona a new political party becomes eligible for recognition and a place on the official ballot upon filing with the Secretary of State petitions signed by a number of qualified electors equal to not less than two per cent of the votes cast for governor at the last preceding general election in at least five counties. The petitions filed by PFP contained signatures of qualified voters as follows:

The petitions filed by the NP contained signatures of qualified electors as follows:

<u>County</u>	<u>Signatures</u>
Apache	73
Greenlee	71
Santa Cruz	65
Graham	86
Mohave	<u>72</u>
TOTAL	367

Secretary of State Bolin on September 5, 1968, pointed out that the PFP and the NP people had obviously selected the five least populated Arizona counties in which to circulate their petitions, thereby minimizing the work involved in gaining the needed signatures. It was also evident from the petitions that those of the PFP and the NP had been circulated simultaneously in the following communities on the dates indicated:

Nogales	July 23, 1968
Safford	July 25, 1968
Morenci and Clifton	July 30, 1968
McNary and Springerville	August 4, 1968
Eager	August 4 and 5, 1968
St. Johns	August 5, 1968
Kingman	August 8 and 9, 1968

It appeared too that most persons signing ~~the~~ for PFP in any given community also signed the NP petitions. Michael Brewer, Nancy B. Fales, Betsy Ann McDonald, Heather Mosz, Esther Ellen Nix and Armando Joseph Parra all executed certifications attached to petitions of both the PFP and the NP. McDonald and Mosz functioned in this manner with respect to Mohave County; McDonald, Fales and Brewer in Graham County; McDonald, Mosz and Parra in Apache County; McDonald, Fales, Nix and Parra in Santa Cruz County; McDonald, Fales and Nix in Greenlee County.

~~CONFIDENTIAL~~

PEACE AND FREEDOM PARTY;

The PFP folder made available by Mr. Bolin on September 5, 1968, also contained a letter of certification to the effect that Eldridge Cleaver has been nominated for President of the United States and David M. Rehfield for Vice President of the United States. The letter indicated the above action was taken in the regular Arizona convention of the PFP held in Tucson, Arizona, on August 6, 1968; the letter dated August 7, 1968, bore the return address of PFP campaign headquarters, 1028 East Sixth Street, Tucson. It was signed by Mitchel Axler, chairman of the convention.

A comparable document in the NP folder states that the convention of the NP was to be held in Chicago, Illinois, on or about September 3, 1968, when candidates of the NP for the offices of President and Vice President of the United States of America would be chosen. This letter to Mr. Bolin, dated August 2, 1968, bore no return address. It was signed by Betsy Ann McDonald (Mrs. James E.), chairman, Arizona Committee for a New Party..

APPENDIX

STUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam and to "radically transform" the university community, and provide for its complete control by students.

Gus Hall, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us." At the June, 1965, SDS National Convention, an anticommunist proviso was removed from the SDS constitution. In the October 7, 1966, issue of "New Left Notes," the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome.

The national headquarters of this organization, as of April 18, 1967, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.

"The Militant" is a weekly newspaper of the Socialist Workers Party.

The SWP has been designated pursuant to Executive Order 10450.

"The Militant" in its issue of September 6, 1968, published a photograph of Gisela Mandel and an article reading as follows:

"SPEAKING TOUR ORGANIZED FOR EUROPEAN SOCIALIST

"The national office of the Young Socialist Alliance announced Aug. 27 that Gisela Mandel, a student active in the formation of the German Socialist Students Federation (SDS) and a friend of Rudi Dutschke's would tour the U. ... speak on the European Student Movement, East and West, a subject that she has followed closely during recent years. In addition to her experiences in the German SDS, she knows many of the leaders of the other radical youth organizations in Europe, and has participated in many of the demonstrations and conferences that have marked the rising tide of radicalism among European youth. She was an eyewitness to the famous battle of the barricades between the Sorbonne students and police in Paris on the night of May 10-11 and wrote a stirring account of it which has been printed throughout the world.

"Gisela Mandel has an M. A. degree in philosophy and sociology from Hamburg University in Germany. She has visited Cuba twice, lectured on Cuba at four West German universities; and written an introduction to the German edition of Paul Sweezy and Leo Huberman's Anatomy of a Revolution." She has conducted sociological studies in India and has written extensively on that country."

Characterizations of the SDS and YSA are contained in the appendix hereto.

On September 28, 1968, Special Agents of the FBI observed that Gisela Mandel arrived at Phoenix, Arizona, at 10:11 a.m. aboard American Airlines flight 163. She was met at Sky Harbor Municipal Airport by Morris Joseph Starsky and his wife, Ruth Pamela Starsky.

Mandel and Mrs. Starsky remained at the airport terminal building for some time awaiting delivery of the subject's luggage. At 10:40 a.m. they finally gave up on the luggage and joined Morris Starsky who was waiting in his automobile. The three of them drove to St. Agnes' Roman Catholic Church, 1954 North 24th Street. They entered and remained in the church from approximately 10:50 a.m. until

11:20 a.m. They then proceeded in Starsky's automobile to the Woman's Club of Phoenix, 305 West Earll Drive, which place they entered at 11:55 a.m.

Later, shortly before 2 p.m. on September 28, 1968, Mandel and the two Starskys were observed leaving the Starsky residence at 8029 East Granada Road, Scottsdale, Arizona, in Starsky's automobile.

At about 12 noon on September 28, 1968, an unidentified individual connected with the Woman's Club of Phoenix advised that a wedding reception was taking place there at that time. He did not have the name of the wedding couple but knew the bride's parents to be named Gower.

Confidential informant PX T-1 advised on September 28, 1968, that at St. Agnes' Church that morning, a parishioner named Cathy Gower had been married to David Cypher. He added that records of the Arizona State University (ASU), Tempe, Arizona, reflect that David Marion Cypher was a freshman in the Liberal Arts College there during the 1967-68 school year. His home address was listed as 4229 North Ninth Avenue, Phoenix, Arizona.

In connection with another investigation, confidential informant PX T-2 on July 26, 1968, furnished information regarding a meeting of the National Executive Committee of the YSA which had occurred in New York City on June 24, 1968. At that time a motion was made and carried to accept applications for membership at large from three individuals, one of whom was "David C., Phoenix, Arizona." Another was "Pamela S., Scottsdale, Arizona."

T-1 pointed out that Morris Joseph Starsky, Assistant Professor of Philosophy at ASU, has for the past two or three years been the faculty member most prominently identified with antidraft and anti-Vietnam war activities on that campus and in the Phoenix area generally.

Records of the Secretary of State, State of Arizona, reveal that Morris J. Starsky is one of five presidential electors named by and for the SWP. This was in connection with the filing on August 8, 1968, of the necessary documents required by law in placing a new political party on the ballot. Starsky also signed himself as treasurer of the Arizona SWP.

On September 28, 1968, T-1 advised that he knew of no meetings or other activities being held at ASU that week-end which Gisela Mandel might logically be expected to address or attend. This source on September 30, 1968, stated that neither Mandel nor Starsky was known to have been on campus September 28, 1968. Subsequently, on October 4, 1968, T-1 advised that after viewing David Marion Cypher, presently a sophomore at ASU, he recognized him as having been an active participant in one antiwar event which the ASU Committee to End the War in Vietnam (CEWV) had held during the 1967-68 school year. He added that Morris J. Starsky occupies the position of faculty adviser to the CEWV.

Confidential informant PX T-3 advised on September 28, 1968, that Gisela Mandel indicated that her address while in the Phoenix area would be 8029 East Granada Road, Scottsdale. He added that she was holding space on Western Airlines Flight 606 scheduled to depart Phoenix for Los Angeles, California, at 12:30 p.m., September 29, 1968. On September 29, 1968, T-3 advised that Mandel had left Phoenix as scheduled at 12:30 p.m. that date via Western Airlines Flight 606 departing for Los Angeles.

STUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Party (SDS), as is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam, and to "radically transform" the university community, and provide for its complete control by students.

Gus Hall, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us." At the June, 1965, SDS National Convention, an anticommunist proviso was removed from the SDS constitution. In the October 7, 1966, issue of "New Left Notes," the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome.

The national headquarters of this organization as of July 24, 1968, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.

YOUNG SOCIALIST ALLIANCE

The May, 1960, issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

On March 10, 1967, a source advised that the YSA was formed during 1957, by youth of various left socialist tendencies, particularly members and followers of the SWP. The source further advised that the YSA has recently become more open about admitting that it is the youth group of the SWP and that an SWP representative has publicly stated that the YSA is the SWP's youth group.

The National Headquarters of the YSA are located in Room 532-536, 41 Union Square West, New York City.

On October 31, 1967, a second source advised that at the 22nd National Convention of the SWP held in New York City from October 26 to 29, 1967, it was stated that the YSA remained as the main recruiting ground for new SWP members.

The SWP has been designated pursuant to Executive Order 10450.

Phoenix requested authority to furnish copies of three letterhead memoranda regarding security-type cases to Arizona Highway Patrol (AHP) as a counterintelligence measure against the New Left. We do not agree.

Two of the letterhead memoranda concern the efforts of the Socialist Workers Party (SWP) and the Peace and Freedom Party (PFP) to appear on the Arizona Ballot in the coming elections. They contain names of SWP and PFP electors, some of whom are employed by state universities. The Governor of Arizona has expressed an interest in these individuals. The third memorandum concerns Gisela Mandel, a Belgian Trotskyite who appeared in Phoenix while on national speaking tour under the auspices of the Young Socialist Alliance. While in Phoenix, she was escorted by one of the individuals in whom the Arizona Governor has expressed an interest. As a counterintelligence proposal, Phoenix requested authority to furnish copies of the above memoranda to its contact in the AHP who would in turn make them available to the Arizona Governor. Most of the information contained in these memoranda was obtained from the Arizona Secretary of State or from newspapers. One memorandum indicates a Bureau surveillance and contains information from three Bureau informants. Two of the memoranda concern legitimate political activities of the SWP and the PFP and the Bureau cannot put itself in a position to be accused of interfering in these activities. For these reasons, it is felt the memoranda should not be furnished the AHP. Attached is a letter to Phoenix denying authority to furnish copies of memoranda to the AHP but authorizing them to orally furnish the AHP the information obtained from the Arizona Secretary of State and from appropriate newspaper articles.

RECOMMENDATION:

That the attached letter to Phoenix be sent.

Authority denied to furnish copies of letterhead memoranda enclosed with relet to Colonel Robertson of the Arizona Highway Patrol (AHP).

Generally speaking, it is not good policy to furnish letterhead memoranda in security-type cases to local law enforcement officers especially when they contain information from confidential Bureau informants.

A review of the letterhead memoranda in question reveals that most of the information contained therein was obtained from the Arizona Secretary of State or from newspapers.

You are authorized to orally furnish Colonel Robertson the information obtained from the Arizona Secretary of State and from appropriate newspaper articles.

It is pointed out that some of the material contained in the letterhead memoranda concerns the efforts of the Socialist Workers Party (SWP) and the Peace and Freedom Party (PFP) to appear on the Arizona ballot in the coming elections. The Bureau cannot put itself in a position to be accused of interfering in the legitimate activities of political parties, even the SWP and the PFP. This must be borne in mind during any contact with local authorities.

You must assure that the Bureau is not revealed as the source and that no embarrassment to the Bureau will result.

Enclosed herewith for the consideration of the Bureau are six copies of an anonymous letter being suggested for mailing to five faculty members at Arizona State University (ASU) hearing charges against Professor MORRIS J. STARKY, a Security Index subject in the Phoenix Division.

Referenced Phoenix letters commented on the professional problems of MORRIS J. STARKY, Assistant Professor of Philosophy at Arizona State University, Tempe, Arizona and on the possibility of utilizing counterintelligence action concerning STARKY. The Phoenix Office by letter and LHM dated 4/1/70, brought the security investigation of STARKY up to date. As noted in the latter LHM, STARKY is the subject of a hearing which resumed on 4/6/70 before the Faculty Committee on Academic Freedom and Tenure at ASU. This committee is weighing several charges made against STARKY and recurring news reports have stressed that the Arizona State Legislature and the Arizona Board of Regents both are anxious that STARKY not be retained on the faculty at ASU. There has been some faculty and student support developed for STARKY on the ASU campus. He is the faculty advisor for the Young Socialist Alliance (YSA) and the

Student Mobilization Committee to End the War in Vietnam (SMC) and local sources believe that he is the catalyst of meaningful New Left protests on the ASU campus and in the Greater Phoenix area.

DAVID J. MURPHY, a graduate student at ASU and a teaching assistant in the English Department, has been one of STARSKY's campus followers. A statement in the form of a press release circulated locally in February, 1970 and quoted MURPHY as stating he was chairman of the SMC at ASU and a member of the YSA since July, 1969, when he "became convinced that the social problems with which I was concerned could not be solved without a socialist revolution."

SOURCE AND POSITION

Phoenix Police Department (PD), advised on 4/6/70, that he had learned that during the course of a meeting of the SMC on the ASU campus on 4/2/70, a comment was made that MURPHY had attempted suicide.

The records of the Tempe PD reveal that a complaint was filed with that department by DAVID JAMES MURPHY, Apartment #8, 122 South Ash, Tempe, at 3:45 A. M., 4/5/70. The complaint charged "Disturbing the Peace" and "Threat" against MORRIS J. STARSKY and his spouse, PAMELA STARSKY, 8029 East Granada, Scottsdale, JAMES TAYLOR ROWLAND, 1010 East Lemon, Tempe and MICHAEL HOWARD, 311 West McDowell, Phoenix. The police report reveals that MURPHY had contacted the PD and alleged that he had retained in his apartment a box of YSA literature belonging to MORRIS STARSKY because he was owed approximately \$70.00 by STARSKY for unpaid telephone bills. On 4/1/70, MURPHY said he was convalescing at the Baptist Hospital, Scottsdale, and STARSKY entered his apartment with the assistance of the landlady and removed the literature.

On 4/4/70, MURPHY picked up a similar box of literature at YSA Headquarters, 1010 East Lemon, Tempe, which is also the residence of ROWLAND. MURPHY claimed that he had free access to the YSA Headquarters.

PX 105-2683

WRB:gjk

The police report continued that at approximately 1:55 A. M., 4/5/70, MURPHY was awakened at his apartment. He recognized the voice of Mrs. PAMELA STARKY and HOWARD and opened the door. Both Mrs. STARKY and HOWARD entered the apartment accompanied by ROWLAND. MURPHY said that he sat down and both HOWARD and ROWLAND related that they wanted the material returned to them which they claimed was worth \$175.00. MURPHY said that he asked for the money which was owed to him. These three individuals were very loud and shouted at MURPHY. In a short time MORRIS STARKY entered the apartment and told MURPHY, "It's very simple, DAVID, you either give us the stuff or these two guys work you over." MURPHY said he replied, "Do you want that, MORRIS?" STARKY replied, "No, not what I want but that's the way it has to be." Then he left the apartment. MURPHY told the police officers that he was scared and intimidated by MORRIS STARKY and the others due to their loud and threatening behaviour and by the way Mrs. STARKY yelled at him. He said that he released to them the YSA literature and they left the area. He told the police that he wished to sign complaints against the above four individuals on Disturbing the Peace.

At 5:00 P. M. on 4/5/70, the Tempe PD received a call from MURPHY stating that he wished no further action by the police regarding his complaint. He said he had discussed the matter with the persons involved and an agreement was reached and no further action was desired.

On 4/7/70, **SOURCE** Phoenix PD, advised that he had been able to determine through a confidential source that MURPHY had been admitted to the Baptist Hospital, Scottsdale, on 3/31/70 with a diagnosis of "Overdose." He was released from this hospital on 4/3/70.

SOURCE advised that the episode at MURPHY's apartment has become known to the "New Left" community on the ASU campus. RICHARD DILLON, who was an SDS leader at ASU in 1968-1969 and a supporter of STARKY, was quoted as making the statement that STARKY should be fired because of this incident.

Bureau approval is requested to mail a copy of the enclosed anonymous letter to each member of the faculty committee which is hearing the charges against STARSKY. This committee is sitting in the Law School on the ASU campus and is composed of the following faculty members:

3. RICHARD W. EFFLAND
4. JOHN P. DECKER

ANONYMOUS LETTER TO MEMBERS
OF THE FACULTY COMMITTEE ON
ACADEMIC FREEDOM AND TENURE
ARIZONA STATE UNIVERSITY

Dear Sir:

It seems appropriate that you should be informed of one of the most recent activities of Morris J. Starsky. Starsky learned of a suicide attempt by one of his close campus co-workers, David Murphy. Feeling that Murphy could no longer be trusted as a member of the campus socialist group, Starsky demanded that Murphy return all literature and other materials belonging to the socialist group. Murphy refused to give Starsky a quantity of socialist literature in his possession until Starsky would pay him a sum slightly in excess of \$50 which was owed for telephone calls charged by Starsky to Murphy's telephone. Morris Starsky was indignant at Murphy's independent attitude and at 2:00 A. M. on April 5, 1970 he, accompanied by his wife Pamela and two young male associates, invaded Murphy's apartment and under threat demanded return of the socialist literature. When Murphy refused unless Starsky paid the phone bill, Starsky told him that his two associates would beat him unmercifully. Murphy, convalescing from a recent hospital stay, was under great fear of bodily harm or death and surrendered the literature.

I find this episode interesting. Where did Starsky learn of the effectiveness of smashing into a person's home at 2:00 A. M.? Also, of utilizing four persons to threaten the health or life of someone? Is this an example of academic socialism? Should the ASU student body enjoy the guidance of such an instructor? It seems to me that this type of activity is something that Himmler or Beria could accept with pride. If Starsky did not enjoy the prestige and sanctuary of his position he would be properly punished for such a totalitarian venture. Unfortunately, Murphy is too terrified to testify against Starsky. This is another example of Starsky's brand of academic socialism.

/s/ A concerned ASU alumnus

Morris J. Starsky is a Security Index subject of the Phoenix Office. He is the Faculty Advisor to the Young Socialist Alliance, the youth group of the Socialist Workers Party. He is a professor at the Arizona State University and his activities have resulted in a hearing before the Faculty Committee on Academic Freedom and Tenure. Phoenix has developed information indicating that as a result of a disagreement between Starsky and David Murphy, a graduate student at the University who has been affiliated with him in his activities, Starsky illegally entered Murphy's residence during the night, threatened Murphy, and removed literature from his apartment. Murphy called police who investigated but then he refused to prefer charges. Phoenix suggests an anonymous letter be sent to the members of the Faculty Committee apprising them of this incident.

A Phoenix daily newspaper on 6/11/70, carried an article relating that Professor STARSKY had been fired by the Arizona State Board of Regents the preceding day, 6/10/70. The provisions of this dismissal by the Board of Regents, included an offer to STARSKY to take a sabbatical leave for the full academic year of 1970-1971, to which he was entitled, based on his years of service. However, it was required that he would not return to ASU following his sabbatical. A second choice that was offered to STARSKY by the Regents was that his contractual relationship would be terminated at the end of the current school year.

The anonymous letter mentioned above, was directed to the members of the faculty committee which was hearing charges against STARSKY. Although the findings of the committee were not immediately made public, it has been reported that the committee did not find sufficient cause to fire STARSKY.

SOURCE AND POSITION ASU and an established source, has confidentially advised that the various charges against STARSKY brought out during this hearing and other anonymous charges received by the faculty committee members greatly tarnished STARSKY's reputation and standing in the academic community.

Re Detroit report of SA LLOYD E. SAMINSKY,
1/28/70, and Bureau letter to the Department of Army,
3/6/70.

On 3/20/70, **SOURCE AND POSITION**
, Austin Independent School District, Austin,
Texas, furnished the following information to SA HOWARD W.
RILEY:

The subject applied for a position with the Austin
Independent School District on 6/24/69, having previously
advised that she would be in Austin, Texas, during the latter
part of June and early part of July, 1969 for the purpose of
seeking employment. She was interviewed on 7/7/69, and
employed effective 8/28/69.

The subject advised the Austin Independent School
District that she was divorced and that in the fall of 1968
her parents had retired and moved abroad. Therefore, she
removed any personal ties with Detroit where she was
employed from 1965 to 1969 by the Detroit Public Schools
and specifically at Burton Elementary School.

Mrs. SELL stated that her doctor had recommended
that she move to the southwestern part of the United States
because of sinus and allergy conditions. She stated that
she was interested in Austin, in addition to the above, for
the reason that she wanted to be near the University of
Texas (UT) and enjoyed the cultural aspects of a university
area, noting that she has been around the university area
for a number of years.

REC 8 100-398576-33

The subject indicated that part of her college
expenses were paid for by a loan from the National Defense
Education Fund. As long as she is teaching in public
schools, 10 percent of that loan is excused under the

requirements of the National Defense Education Fund; if she is employed in a poverty area as a teacher, 15 percent of the loan is excused. These two reasons also showed her desire and need to teach in a school system.

The subject was born 9/23/29, in Cleveland, Ohio, and attended high school in Detroit, 1944-1947. She attended Wayne State University, Detroit, from November, 1948 to June, 1969, on an intermittent basis. She received a B.A. Degree in Elementary Education from Wayne State University in 1965.

Other employments furnished by the subject were:

1951 - 1952, teller, Detroit Bank and Trust Company

1957 - 1961 - secretary, Curtis Circulation Company, Detroit

1961 - 1963, Garrick Photo Supply, Detroit

During these periods she was also attending school part of the time. The subject has two children, the most recent being a son, ERIC, born in 1953.

A credit report request by the Austin Independent School District indicated that in Detroit the subject had not had any charge accounts, that there was no credit information and no derogatory information concerning the subject.

The subject was employed to participate in the Head Start Program with the contract expiring on 4/30/70. Under normal past procedure, these contracts have been extended until 5/30/70, and will be in the case of the subject.

The subject will not be re-employed upon the completion of the contract at the end of 5/30/70, and will not be employed in the Austin Independent School District.

SA 100-11434

The Head Start Program will be operated by an independent group commencing with the 1970-1971 school year and will no longer be under the auspices of the Austin Independent School District.

The subject was described as an intelligent, excellent teacher who was well qualified in her field.

Bureau attention is directed to San Antonio letter to the Bureau captioned "COINTELPRO, IS - DISRUPTION OF NEW LEFT," Bufile 100-449698, SAfile 100-10510, dated 1/13/70. **SOURCE** stated that the decision not to issue a new contract or consider the subject further for employment after the termination of her current contract is based upon information received from **SOURCE** of the Austin Police Department. **SOURCE** further stated that information furnished by **SOURCE** would be furnished to the organization which will be handling the Head Start Program in the 1970-1971 school year.

Rerep of SA Robert C. Quigley dated at WFO, 3/7/69.

Rerep states that the subject, who is a member of the Young Socialist Alliance (YSA), is employed as an elementary teacher in Washington, D. C.

In view of this situation, you are to consider available steps that can be taken of a counterintelligence nature to have the subject separated from her employment as a teacher. In this regard and consistent with the security of your informants and your investigation, you should consider sending an anonymous letter to the subject's parents notifying them of her membership in the YSA.

You should also advise the Bureau as to whether an established and reliable source is available at the Board of Education to whom you could furnish this information in the strictest confidence. Take no steps in this regard until Bureau approval is obtained.

Promptly submit your recommendations as to the above.

NOTE: Referenced report sets forth that subject is a teacher in the elementary schools in Washington, D. C., is a member of the YSA, and has attended educational and regional conferences of that organization. Her father is reportedly a Methodist minister and could be expected to be in opposition to the tenets of YSA. In any event, we should seek methods designed to separate her from the educational system.

ReBulet to WFO, 4/11/69.

INFORMANT has advised that the subject's mother was visiting her apartment last month when a meeting of the Washington, D. C. (WDC) local of the Young Socialist Alliance (YSA) was held. In view of this information, an anonymous letter to the subject's parents may not have the desired effect.

With respect to furnishing information concerning the subject's membership in the YSA to a reliable source in the WDC Board of Education, WFO does not feel that it has a source at present in whom this amount of confidence could be placed.

WFO would recommend, however, an anonymous letter from one of the subject's neighbors to the Chairman of the Board of Education. This letter would outline the fact that meetings of an un-American organization known as Young Socialists were held weekly in the subject's apartment and certain literature was found in the hallway. It would also point out that the subject has been living with a man for the last three months, although she is not married. This individual is TERRILL BRUMBACK, the former organizer of the YSA. At times she is also visited by a Negro male who stays overnight. This individual is JOE MILES, a YSA member currently in the U. S. Army.

The above information has been verified by INFORMANT

NOTE: White is a teacher in the elementary school system in Washington, D. C. is a member of the YSA, the youth group of the SWP; and has attended educational and regional conferences of that organization. By referenced WFOlet, that office stated it did not appear advisable to anonymously advise her parents of these facts since her mother apparently already knew of her membership in the YSA. It was also stated that since there are no sources available on the Board of Education to whom this information could be safely reported, this information could be most effectively used by submitting an anonymous letter to the Board of Education purportedly from a neighbor. Since this information must be placed with the Board of Education, we are authorizing the anonymous letter be prepared.

William R. Manning
Superintendent
D.C. School System
415 12th Street, N.W.
Washington, D.C.

Dear Sir,

I am writing this letter directly to you as Superintendent of the D.C. School System because of the severity of the accusations which I am making against a teacher in the D.C. system. I am well aware of your interest in the quality of education in this, the Capitol city, and I am sure that you will take a responsible attitude toward the information which I am furnishing.

As a resident of a large apartment building at 1801 16th Street, N.W., I have become aware of the activities of another resident, Miss Maude White, who is a teacher in the local elementary school at 13th and S Streets, N.W. I have learned that since January of this year, Miss White has held weekly meetings of a socialist youth group which is active in the Washington area. From literature found in our hallways, I have determined that this group is known as the Young Socialist Alliance and from personal observation I have learned that approximately twenty individuals attend these meetings each Sunday evening at Miss White's apartment.

The literature belonging to this group advocates an overthrow of our present system of government in a way similar to the Cuban revolution of Fidel Castro. The printed policy of the group supports violent activities against established authority, particularly the police, and considers ghetto and student rioting as the beginning of the violent revolution.

In a recent copy of their national magazine, The Young Socialist, it is suggested that anyone interested in the organization can contact Terrill Brumback at 1801 16th Street, N.W., Apartment 610. This is apparently the same individual who has been living with Miss White for the last five months. I have noticed him on numerous occasions parking Diamond Cab #280 in front of the apartment building.

I bring this information to your attention in order to protect the D.C. School System from the menace of a teacher who does not have the interests of the children or the country at heart. I am certain that a responsible school administrator like yourself would not allow a revolutionist to indoctrinate the fertile minds of grade school children.

Since most of this information is actually public knowledge, only limited investigation by your office will be necessary to verify these accusations. For my own protection, I am not signing this letter. I assure you that this lack of identification in no way affects the veracity of the information contained herein.

I sincerely hope that your investigation and appropriate action can be completed before the start of the next semester. I am sure you will agree that the children and the country deserve to be protected.

NOTE:

The subject is a member of the Young Socialist Alliance, the youth group of the Socialist Workers Party (SWP). She is a schoolteacher in the D.C. School System. In addition to being a member of the YSA, she apparently has been illegally cohabiting with a male individual at her apartment in the District. WFO has advised that it has no sources on the District School Board of sufficient reliability to whom it could furnish this information. By relet, it was suggested that the anonymous letter be submitted to William C. Manning, Superintendent of the District School System apprising him of the situation respecting White.
